ABOUT ME

Scientist and Data Analyst with hands-on experience in data analysis and engineering, document verification, network infrastructure support, and the development of machine learning-based solutions. I have a solid background in Python, SQL, R, statistics, AI, and BI, as well as a multidisciplinary perspective and a systems-oriented approach to solving complex problems.

EDUCATION

Data Science Technologist with a Focus on AI – Descomplica UniAmérica (Jul 2023 – Mar 2026)

HARD SKILLS

Python, R, SQL, Pandas, NumPy, Scikit-Learn, Machine Learning, MLOps, Applied Statistics, Bayesian Statistics, Power BI, DAX, Power Query, Data Visualization, ETL, Apache Airflow, Apache Spark, Apache Flink, Data Modeling, Data Warehousing, PostgreSQL, MongoDB (NoSQL), Elasticsearch, Flask, Dash, Plotly, AWS, Docker, Git, GitHub Actions, CI/CD, DevOps, Linux, Windows, Network Infrastructure, Information Security, OpenCV, OCR, LGPD, ITIL 4, Agile Methodologies (Scrum and Kanban), Technical Documentation, and UI/UX.

PROFESSIONAL EXPERIENCE

Document Verification Analyst – Montreal Tecnologia (Apr 2024 – Present)

- Processing and validating 800–1,200 documents per day.
- Identifying inconsistencies and potential document fraud.
- Ensuring the quality and integrity of processed data.

IT Assistant N1/N2 – Hi-L@n Computer Networks (Feb 2022 – Dec 2023)

- Provided technical support and maintained network infrastructure.
- Configured routers, switches, and structured cabling.
- Automated tasks using Python.

NOTABLE PROJECTS

- M.I.N.D. – Mental Intelligence Diagnostic Assistant – A clinical decision support platform for mental health professionals using machine learning, statistics, DSM-5-TR, and ICD-11.
- Real-Time Sales Dashboard – Flask, Dash, Plotly, and SQLite for real-time analytical monitoring.
- Predictive Maintenance System – Random Forest model for predicting failures in industrial equipment.
- Intelligent Spam Detection and Email Classification System – using Naive Bayes and performance metrics.

CERTIFICATIONS

ITIL 4 Foundation – PeopleCert (2024)

LANGUAGES

Portuguese (Native) | English (Advanced) | German (Basic) | Korean (Basic) | Brazilian Sign Language (Basic)

SOFT SKILLS

Teamwork, communication, analytical thinking, problem-solving, quick learning, adaptability, multidisciplinary collaboration, proactivity, time management, organization, results oriented.
